

# Ray's Café Syphon Coffee Menu

## Coffee from around the world

Per Cup

### Jamaican Blue Mountain

This is our Top-Shelf coffee; Blue Mountain is of the world's most treasured coffees. The coffee is exceptional because they are only grown in rare climates and altitudes ranging from 3,000-7,000 feet. Its flavor is full bodied, delightful, aromatic, sweet velvety with smooth and distinct flavor. This is a light roast and low in acidity.

\$10.19

### Japanese Charcoal Roasted Coffee aka (Sumiyaki)

Unique to our Coffee Shop is the Sumiyaki. Imported from Japan it is the only bean that is roasted by Charcoal. Flavorfully Full Bodied with a great smell. Medium Roast Low Acidity.

\$7.50
